DCODERS_

Your Contribution_

To be able to deliver the optimal quality of our service, we will need you to provide us with

- Medium to High Resolution Pictures ie. Minimum 800 px x 800 px for grants and other pages.
- Any videos you'd need for the grants.
- Any Pdf's you'd need for the grants.
- Any Illustrations you might have also at high Resolution.
- Text needed for the website (we will inform you during the design phase what kind of text we need and how much)
- All grants and items linked to them ,delivered in a clear way which will allow us to upload them correctly.

DCODERS

Price

We estimate that this project will take around 160 hours to complete.

Product/service	Price €
Website design	€ 1000
Website development	€ 3000
Total	€ 4000 **

** Price does not include VAT

Price is calculated based on an hourly fee of €25.

Additional hours/content

- During the process of designing and building the website, changes or additions towards the products, features and services in the initial offer, might occur. In this case, changes or additions, which will require extra hours for us to accomplish, will be charged by **€65** per extra hour spent. This also includes updates or additions to post-published websites. Examples of changes include:
 - Extra Pages not agreed upon (i.e. Add a Blog page to the website, etc.)
 - Extra Features not agreed upon (i.e. Add Calendar features to a page, etc.)
 - Extra Sections not agreed upon (i.e. Adding a new section to display specific information to a page, etc.)

A message from us

Through this collaboration, we will build a partnership where we will help enhance your online presence through our expertise in web development and design.
